## STORAGE SITE NEAR SU-CHIA-TUN, CHINA

COORDS: 41-35N 123-21E

NPIC TARGET NO: None

COMOR NO: None

BE NO: None

A storage site is situated 6 nm south of the town of Su-chia-tun, China (Figure 1). Shen-yang is 12 nm to the north; Liao-yang is 20 nm to the SW. The site measures approximately 1,500 x 1,075 ft and is near the main Shen-yang/Liao-

yang rail line. A rail spur designed to serve the site either was never completed or has been dismantled. The railbed and a newly constructed road just east of the railbed give access to the site.

Storage Buildings. The site contains 23 storage buildings: nine gable-roofed buildings in the southern part of the site and 14 buildings with curved roofs in the northern part (Figure 2). Crates, covered objects, and piles of lumber are

in open storage in the central part of the site. Six of the gable-roofed buildings measure 110 x 55 ft and have a covered doorway on each side. Two of these buildings also have four small dormer-type roof ventilators. Figure 3 shows a plan and perspective view of one of these buildings. The remaining three gable-roofed buildings measure 135 x 40 ft. Storage buildings of two sizes occupy the northern part of the site; four curved-roof storage buildings measure 65 x 30 ft, and 10 storage buildings measure 65 x 60 ft each. The latter storage buildings are formed by two adjoining curved-roof buildings.

A long narrow building with an adjacent smokestack and two smaller buildings with small roof ventilators are situated at the southern end of the secured area.

Security. The site is single fenced with a ditch and low embankment just outside the fence. Guard towers are located at the NE and NW

corners and a guardhouse is at the single entrance which is on the south side.

Housing and Administration. Five barracks-type buildings and four small administration and utility buildings are located outside the entrance to the secured area.

Earlier Photography. Photography of [REDACTED] (Figure 4) provides an oblique view of the site and shows the access road under construction.
